AND NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you information on the following resolutions proposed to be tabled at the Annual General Meeting, so as to enable you to make an informed decision on the resolutions at the Annual General Meeting.

The resolutions include (i) the grant of the Repurchase Mandate; (ii) the grant of the General Mandate; (iii) the extension of the General Mandate; (iv) the re-election of the retiring Directors; and (v) the proposed amendments to the existing Articles of Association and the adoption of the New Articles of Association.

LETTER FROM THE BOARD

REPURCHASE MANDATE

At the Annual General Meeting, an Ordinary Resolution will be proposed to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase Shares subject to the criteria set forth in this circular. In particular, you should note that the maximum number of Shares that may be repurchased pursuant to the Repurchase Mandate will be such number which represents 10% of the number of the Shares in issue as of the date of passing of the resolution, subject to the requirements of the Listing Rules. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required to be held by any applicable laws or the Articles and the date upon which such authority is revoked or varied by ordinary resolution of the Shareholders in general meeting.

In accordance with the Listing Rules, the Company is required to send to the Shareholders an explanatory statement, which is set forth in Appendix I to this circular.

GENERAL MANDATE

At the Annual General Meeting, an Ordinary Resolution will be proposed to grant to the Directors a general and unconditional mandate to allot, issue and deal with further Shares or to grant any offers, agreements or options which would or might require Shares to be issued, allotted or disposed of, representing up to 20% of the number of the Shares in issue as of the date of passing of the resolution. As of the Latest Practicable Date, the number of the Shares in issue was 640,318,773 and they were all fully paid up. Assuming that there is no change in the number of the Shares in issue during the period from the Latest Practicable Date to the date of passing the aforesaid resolution, the maximum number of Shares which may be issued pursuant to the aforesaid general and unconditional mandate on the date of passing the aforesaid resolution will be 128,063,754 Shares. The Company has no plan to issue new Shares under the General Mandate after the approval of the refreshment of the General Mandate by the Shareholders at the Annual General Meeting as at the Latest Practicable Date.

Subject to the passing of the aforesaid Ordinary Resolutions of the Repurchase Mandate and the General Mandate, a separate Ordinary Resolution will also be proposed for the Shareholders to consider and, if thought fit, approve the extension of the General Mandate by adding to the aggregate number of Shares which may be allotted or agreed conditionally or unconditionally to be allotted by the Directors pursuant to the General Mandate the number of Shares purchased under the Repurchase Mandate, if granted.

RE-ELECTION OF THE RETIRING DIRECTORS

Pursuant to Article 84 of the Articles, at each annual general meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation, provided that every Director shall be subject to retirement at an annual general meeting at least once every three years and shall then be eligible for re-election.

LETTER FROM THE BOARD

Mr. Gao Weilong and Mr. Teng Feng as executive Directors; and Mr. Hung Muk Ming as an independent non-executive Director will retire in accordance with Article 84 of the Articles. Mr. Gao Weilong, Mr. Teng Feng and Mr. Hung Muk Ming, being eligible, would offer themselves for re-election at the Annual General Meeting.

Further information on such retiring Directors is set forth in Appendix II to this circular.

PROPOSED AMENDMENTS TO THE AMENDED AND RESTATED ARTICLES OF ASSOCIATION

Reference is made to the announcement of the Company dated 13 July 2022, in relation to, among others, the Proposed Amendments and the adoption of the New Articles of Association.

The Board proposed to amend and restate the existing Articles of Association, among others, to (i) conform with the core shareholder protection standards as set out in Appendix 3 to the Listing Rules and other latest legal and regulatory requirements under the Listing Rules and applicable laws of the Cayman Islands; and (ii) incorporate certain housekeeping amendments. The Board also proposed to adopt the New Articles of Association in substitution for, and to the exclusion of, the existing Articles of Association. Details of the Proposed Amendments are set out in Appendix III to this circular.

The legal advisers to the Company as to Hong Kong laws and Cayman Islands laws have respectively confirmed that the Proposed Amendments comply with the requirements of the Listing Rules and do not violate the applicable laws of the Cayman Islands. The Company confirms that there is nothing unusual about the Proposed Amendments for a Cayman Islands company listed on the Stock Exchange.

The Proposed Amendments and the adoption of the New Articles of Association are subject to the Shareholders' approval by way of a special resolution at the Annual General Meeting.

ANNUAL GENERAL MEETING

A notice of the Annual General Meeting is set forth in Appendix IV to this circular. At the Annual General Meeting, resolutions will be proposed to approve, inter alia, the grant of the Repurchase Mandate, the grant of the General Mandate, the extension of the General Mandate, the re-election of the retiring Directors, and the proposed amendments to the existing Articles of Association and the adoption of the New Articles of Association. The Annual General Meeting will be held at 10:00 a.m., on Tuesday, 20 September 2022, at 23/F, Sunshine Plaza, 353 Lockhart Road, Wanchai, Hong Kong.

PROXY ARRANGEMENT

A form of proxy for the Annual General Meeting is enclosed with this circular. To be valid, the form of proxy must be completed in accordance with the instructions printed thereon and deposited, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power of attorney or authority, at the Registrar at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, as soon as possible and in any event not later than 48 hours before the time appointed for holding the

LETTER FROM THE BOARD

Annual General Meeting or any adjournment thereof. **Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting or any adjournment thereof (as the case may be) should you so wish and in such event, the form of proxy shall be deemed to be revoked.**

CLOSURE OF REGISTER OF MEMBERS

The Register of Members will be closed from 15 September 2022 to 20 September 2022 (both days inclusive), during which period no transfer of Shares will be effected in order to determine the entitlement to attend and vote at the Annual General Meeting. All share transfers accompanied by the relevant share certificates, must be lodged with the Registrar at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong for registration not later than 4:30 p.m. on 14 September 2022 for such purpose.

VOTING BY WAY OF A POLL

According to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Therefore, poll voting for all proposed resolutions of the Company will be proceeded with at the Annual General Meeting.

The poll results will be published on the Stock Exchange’s website and the Company’s website after the conclusion of the Annual General Meeting.

RECOMMENDATION

The Board is of the opinion that the grant of the Repurchase Mandate and the General Mandate, the extension of the General Mandate, the re-election of the retiring Directors, and the proposed amendments to the existing Articles of Association and the adoption of the New Articles of Association are in the best interest of the Company and the Shareholders as a whole and accordingly recommend all the Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By order of the Board
IBO Technology Company Limited
Lai Tse Ming
Chairman and Executive Director

This appendix contains particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the Repurchase Mandate.

PROPOSED SHARE REPURCHASE MANDATE

It is proposed that the Directors be granted the Repurchase Mandate such that they may exercise the powers of the Company to repurchase up to 10% of the Shares in issue as of the date of passing of the relevant resolution. As of the Latest Practicable Date, the number of Shares in issue was 640,318,773 Shares and they were all fully paid up. Accordingly, the exercise of the Repurchase Mandate in full (being the repurchase of 10% of the Shares in issue as of the date of the passing of the resolution to approve the Repurchase Mandate) would enable the Company to repurchase a maximum of 64,031,877 Shares (assuming no Share is issued or repurchased after the Latest Practicable Date and up to the date of passing of the relevant resolution).

REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, the Directors believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value for each Share and/or earnings for each Share. Shareholders can be assured that the Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company.

FUNDING OF REPURCHASES

Repurchases would be funded entirely from the Company's available cash flow or working capital facilities, which will be funds legally available for such purpose in accordance with its memorandum of association, the Articles, the Listing Rules and the Companies Act. Under the Companies Act, Shares repurchased by the Company may only be paid out of profits or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by its memorandum of association, the Articles and subject to the Companies Act, out of capital. Any premium payable on share repurchases may only be paid out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the Companies Act, out of capital. In accordance with the Companies Act, the Shares so repurchased would remain part of the authorised but unissued share capital of the Company.

IMPACT OF REPURCHASE

On the basis of the consolidated financial position of the Company as of 31 March 2022 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material

adverse impact on the working capital position and the gearing position of the Company in the event that the Repurchase Mandate was to be exercised in full. No repurchase would be made by the Company in circumstances that would have a material adverse impact on the working capital position or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

PRICE OF SHARES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

	Share price	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2021		
July	3.78	3.10
August	3.69	3.00
September	3.40	2.69
October	3.29	2.62
November	3.09	2.58
December	2.85	2.42
2022		
January	3.18	2.16
February	3.46	2.94
March	3.70	2.90
April	3.07	2.58
May	3.00	2.33
June	3.05	2.22
July (up to the Latest Practicable Date)	2.95	2.37

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Articles and the Companies Act.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates (as defined under the Listing Rules) has any present intention, in the event that the proposed Repurchase Mandate is granted, to sell Shares to the Company. No core connected person (as defined under the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell

Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code.

Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Lai Tse Ming ("**Mr. Lai**"), the chairman of the Company and executive Director, and Shine Well Holdings Limited ("**Shine Well**") (which is wholly and beneficially owned by Mr. Lai) together hold approximately 25.2% of the entire issued share capital of the Company, out of which Shine Well holds approximately 22.1% out of the said approximately 25.2% shareholding. In the event that the Repurchase Mandate is exercised in full, Mr. Lai and Shine Well together will hold approximately 28.0% of the entire issued share capital of the Company, out of which Shine Well will hold approximately 24.6% out of the said approximately 28.0% shareholding. Accordingly, such increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to the extent that the purchase would result in the amount of Shares being held by the public falling below 25% of the total issued share capital of the Company nor to the extent that it would result in an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

Save as the above, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

SHARE REPURCHASES MADE BY THE COMPANY

There was no repurchase by the Company, or any of its subsidiaries, of any listed securities of the Company in the previous six months preceding the Latest Practicable Date.

No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.
 30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
 31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
 32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.
 33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay

interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:
- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
 - (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.
- (2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.
35. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.
36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.
37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time

which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:
 - (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
 - (b) the date on which each person was entered in the Register; and
 - (c) the date on which any person ceased to be a Member.

- (2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.
44. The Register and branch register of Members, as the case may be, shall be open to inspection for at least two (2) hours during business hours by Members without charge or by any other person, upon a maximum payment of \$2.50 or such lesser sum specified by the Board, at the Office or such other place at which the Register is kept in accordance with the ~~Law Act~~ or, if appropriate, upon a maximum payment of \$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper or any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45. Subject to the rules of any Designated Stock Exchange, notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:
- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue ~~and such record date may be on, or at any time not more than thirty (30) days before or after, any date on which such dividend, distribution, allotment or issue is declared, paid or made;~~
 - (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- (2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the rules and regulations of the Designated Stock Exchange that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars

required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the rules and regulations of the Designated Stock Exchange that are or shall be applicable to such listed shares.

47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.
48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien. App. →
11(2)
11(3)
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.
- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the ~~Law~~Act. App. →
11(1)

49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
 - (b) the instrument of transfer is in respect of only one class of share;
 - (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the ~~Law-Act~~ or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
 - (d) if applicable, the instrument of transfer is duly and properly stamped.
50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles

relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

App. 3
13(1)

- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:
- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles have remained uncashed;
 - (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
 - (c) the Company, if so required by the rules governing the listing of shares on the Designated Stock Exchange, has given notice to, and caused advertisement in newspapers in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

App. 3
13(2)(a)
13(2)(b)

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

56. An annual general meeting of the Company shall be held in each financial year other than the financial year of the Company's adoption of these Articles ~~(within a period of not more than fifteen (15) months after the holding of the last preceding annual general meeting or not more than eighteen (18) months after the date of adoption of these Articles, the Company's financial year (unless a longer period would not infringe the rules of the Designated Stock Exchange, if any) at such time and place as may be determined by the Board. A meeting of Members or any class thereof may be held by means of such telephone, electronic or other communication facilities as to permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence at such meeting.~~ App.3

57. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. General meetings may be held in any part of the world as may be determined by the Board.
58. The Board may whenever it thinks fit call extraordinary general meetings. Any one or more Member(s) holding at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company carrying the right of voting at general meetings of the Company shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business or resolution specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionist(s) himself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company. NOTICE OF GENERAL MEETINGS

59. (1) An annual general meeting must be called by Notice of not less than twenty-one (21) clear days ~~and not less than twenty (20) clear business days~~. All other general meetings (including an extraordinary general meeting) must be called by Notice of not less than fourteen (14) clear days ~~and not less than ten (10) clear business days~~ but if permitted by the rules of the Designated Stock Exchange, a general meeting may be called by shorter notice, subject to the ~~Law~~Act, if it is so agreed:
- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
- (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together representing not less than ninety-five per cent. (95%) of the total voting rights at the meeting of all the Members.
- (2) The notice shall specify the time and place of the meeting and particulars of resolutions to be considered at the meeting and, in case of special business, the general nature of the business. The notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors and the Auditors.
60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of:
- (a) the declaration and sanctioning of dividends;
- (b) consideration and adoption of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet;
- (c) the election of Directors whether by rotation or otherwise in the place of those retiring;

- (d) appointment of Auditors (where special notice of the intention for such appointment is not required by the ~~Law~~Act) and other officers; and
 - (e) the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors; ~~;~~
 - (f) ~~the granting of any mandate or authority to the Directors to offer, allot, grant options over or otherwise dispose of the unissued shares in the capital of the Company representing not more than twenty per cent. (20%) in nominal value of its existing issued share capital; and~~
 - (g) ~~the granting of any mandate or authority to the Directors to repurchase securities of the Company.~~
- (2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. Two (2) Members entitled to vote and present in person ~~or by proxy~~ ~~or~~ (in the case of a Member being a corporation) by its duly authorised representative or by proxy or, for quorum purposes only, two persons appointed by the clearing house as authorised representative or proxy shall form a quorum for all purposes.
62. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.
63. The chairman of the Company or if there is more than one chairman, any one of them as may be agreed amongst themselves or failing such agreement, any one of them elected by all the Directors present shall preside as chairman at a general meeting. If at any meeting no chairman, is present within fifteen (15) minutes after the time appointed for holding the meeting, or is willing to act as chairman, the deputy chairman of the Company or if there is more than one deputy chairman, any one of them as may be agreed amongst themselves or failing such agreement, any one of them elected by all the Directors present shall preside as chairman. If no chairman or deputy chairman is present or is willing to act as chairman of the meeting, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy and entitled to vote shall elect one of their number to be chairman of the meeting.

64. The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment.
65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person (or being a corporation, is present by a duly authorized representative), or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Ch.13.39(4)
- (2) Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or App.3
19

- (b) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
- (c) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by the Member.

- 67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the rules of the Designated Stock Exchange.
- 68. On a poll votes may be given either personally or by proxy.
- 69. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
- 70. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the ~~Law~~Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
- 71. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

72. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, *curator bonis* or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, as the case may be.
- (2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
73. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) All Members shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration. App. 3
14(3)
- (3) ~~Where the Company has knowledge that any Member is, under the rules of the Designated Stock Exchange, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.~~ App. 3
14(4)
74. If:
- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or

- (c) any votes are not counted which ought to have been counted;

Notice of a meeting of the Board shall be deemed to be duly given to a Director if it is given to such Director in writing or verbally (including in person or by telephone) or via electronic mail or by telephone or in such other manner as the Board may from time to time determine ~~whenever he shall be required so to do by any Director~~.

113. (1) The quorum necessary for the transaction of the business of the Board may be fixed by the Board and, unless so fixed at any other number, shall be two (2). An alternate Director shall be counted in a quorum in the case of the absence of a Director for whom he is the alternate provided that he shall not be counted more than once for the purpose of determining whether or not a quorum is present.
- (2) Directors may participate in any meeting of the Board by means of a conference telephone, electronic or other communications equipment through which all persons participating in the meeting can communicate with each other simultaneously and instantaneously and, for the purpose of counting a quorum, such participation shall constitute presence at a meeting as if those participating were present in person.
- (3) Any Director who ceases to be a Director at a Board meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of such Board meeting if no other Director objects and if otherwise a quorum of Directors would not be present.
114. The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in the Board but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles, the continuing Directors or Director, notwithstanding that the number of Directors is below the number fixed by or in accordance with these Articles as the quorum or that there is only one continuing Director, may act for the purpose of filling vacancies in the Board or of summoning general meetings of the Company but not for any other purpose.
115. The Board may elect one or more chairman and one or more deputy chairman of its meetings and determine the period for which they are respectively to hold such office. If no chairman or deputy chairman is elected, or if at any meeting no chairman or deputy chairman is present within five (5) minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
116. A meeting of the Board at which a quorum is present shall be competent to exercise all the powers, authorities and discretions for the time being vested in or exercisable by the Board.
117. (1) The Board may delegate any of its powers, authorities and discretions to committees, consisting of such Director or Directors and other persons as it thinks fit, and they may, from time to time, revoke such delegation or revoke the appointment of and discharge any such committees either wholly or in part, and either as to persons or purposes. Any committee so formed shall, in the exercise of the powers, authorities and discretions so delegated, conform to any regulations which may be imposed on it by the Board.
- (2) All acts done by any such committee in conformity with such regulations, and in fulfilment of the purposes for which it was appointed, but not otherwise, shall have like force and effect as if done by the Board, and the Board shall have power, with

the consent of the Company in general meeting, to remunerate the members of any such committee, and charge such remuneration to the current expenses of the Company.

118. The meetings and proceedings of any committee consisting of two or more members shall be governed by the provisions contained in these Articles for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board under the last preceding Article.
119. A resolution in writing signed by all the Directors except such as are temporarily unable to act through ill-health or disability, and all the alternate Directors, if appropriate, whose appointors are temporarily unable to act as aforesaid shall (provided that such number is sufficient to constitute a quorum and further provided that a copy of such resolution has been given or the contents thereof communicated to all the Directors for the time being entitled to receive notices of Board meetings in the same manner as notices of meetings are required to be given by these Articles) be as valid and effectual as if a resolution had been passed at a meeting of the Board duly convened and held. Such resolution may be contained in one document or in several documents in like form each signed by one or more of the Directors or alternate Directors and for this purpose a facsimile signature of a Director or an alternate Director shall be treated as valid. Notwithstanding the foregoing, a resolution in writing shall not be passed in lieu of a meeting of the Board for the purposes of considering any matter or business in which a substantial shareholder of the Company or a Director has a conflict of interest and the Board has determined that such conflict of interest to be material.
120. All acts bona fide done by the Board or by any committee or by any person acting as a Director or members of a committee, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or such committee or person acting as aforesaid or that they or any of them were disqualified or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director or member of such committee.

122. The appointment of such general manager, manager or managers may be for such period as the Board may decide, and the Board may confer upon him or them all or any of the powers of the Board as they may think fit.

123. The Board may enter into such agreement or agreements with any such general manager, manager or managers upon such terms and conditions in all respects as the Board may in their absolute discretion think fit, including a power for such general manager, manager or managers to appoint an assistant manager or managers or other employees whatsoever under them for the purpose of carrying on the business of the Company.

Company. Provided always that: (1) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim; (2) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (1) above are not fulfilled; and (3) references in this Article to the destruction of any document include references to its disposal in any manner.

- (2) Notwithstanding any provision contained in these Articles, the Directors may, if permitted by applicable law, authorise the destruction of documents set out in subparagraphs (a) to (e) of paragraph (1) of this Article and any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the share registrar on its behalf provided always that this Article shall apply only to the destruction of a document in good faith and without express notice to the Company and its share registrar that the preservation of such document was relevant to a claim.

DIVIDENDS AND OTHER PAYMENTS

133. Subject to the ~~LawAct~~, the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board.
134. Dividends may be declared and paid out of the profits of the Company, realised or unrealised, or from any reserve set aside from profits which the Directors determine is no longer needed. With the sanction of an ordinary resolution dividends may also be declared and paid out of share premium account or any other fund or account which can be authorised for this purpose in accordance with the ~~LawAct~~.
135. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
- (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.
136. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof

App-3

deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

137. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.

138. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

139. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

140. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

App-3
3(2)

141. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets,

or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

142. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:
- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined

- below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or
- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Article in relation to the relevant dividend or contemporaneously with their

announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.

- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

143. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the ~~Law~~Act. The Company shall at all times comply with the provisions of the ~~Law~~Act in relation to the share premium account.
- (2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

144. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.
- (2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association,

joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

145. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

146. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the ~~Law~~Act:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
 - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;

- (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the

maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.
